**DR. JOSIE JOHNSON**

The Board of Directors of the National Council of Jewish Women, Greater Minneapolis Section is pleased to name Dr. Josie Johnson as our first ever honorary Rose Rees Peace Award Recipient. Her activism to ensure the passage of the Civil Rights Act, her advocacy for fair housing and employment opportunities and her ongoing

efforts toward diversity and equality are not only consistent with the ideals of Rose Rees, but have left an indelible mark on our community, our city and our world. This is just our small way of saying thank you.
