Give voice to issues that affect the lives of women, children, and families.

Join us for a morning of education, empowerment, and political exchange.

In a year filled with unprecedented economic turmoil, Jewish Women's Morning at the Capitol (JWMC) gives Jewish women a chance to make a difference. The morning includes the following:

- An engaging briefing on the critical issues facing the 2011 Minnesota legislature;
- A basic advocacy training and skill-building session;
- An opportunity to meet and speak with your legislative representatives; and
- An optional luncheon for those who would like to debrief or round out the day.

JWMC empowers women of all ages! Bring your daughters, grand-daughters to join us in making a difference this year.

The event is free and open to all Jewish women.
