For over a century, NCJW has been a powerful force for change, taking a progressive stance on social issues — so it's really no surprise that our 1st annual Kitchen Tour Fundraiser is progressive as well!

Join us as we travel in luxury coach buses to four exquisite Minneapolis homes, where the homeowners are as passionate about home improvement as they are about improving our community. At each home, you'll tour captivating kitchens and gathering spaces, sample culinary delicacies, and collect helpful hints you can bring home to your own family table.

You'll also get a hearty taste of NCJW's ground-breaking community service programs. As our gracious hosts open their homes, we'll open our hearts so that together we can make a meaningful difference in the lives of women, children and families.
